RECEIVED

To Whom It May Concern:

OCT 19 2001

As a Nevada resident I'm very concerned by the proposal to store nuclear waste at Yucca Mountain. Nevada is a state of undying beauty and wonder. This is the greatest form of terrorism and the lowest attack against this great state. If nuclear waste is as safe as all of you say it is, then why do you not store it in the states that made it? I want my voice to be heard on this subject.

Sincerely:

A handwritten signature in cursive script, appearing to read "Evan Pellegrini". The signature is written in dark ink and is positioned above the printed name.

Evan Pellegrini
